A STUNNING FIRST FROM THIS STORIED VINEYARD, FROM VINES PLANTED IN 1886 ON MOON MOUNTAIN. THIS WINE WAS HARVESTED IN AUGUST, SOMEHOW MOSTLY SPARED FROM THE SMOKE COMING FROM NAPA FIRES THROUGHOUT THE YEAR. THE VINEYARD SITS AT 1300 FEET IN ELEVATION AND RECEIVES FRESH MARINE AIR PROTECTING THE VINES.

WE VINIFIED THIS WINE IN A COMBINATION OF NEUTRAL FRENCH BARRELS AND STAINLESS STEEL - ALLOWING FOR A LAYER OF TEXTURES.

TASTING NOTES: VIBRANT CITRUS, APRICOT, AND WHITE FLOWERS WITH AROMAS OF HONEYCOMB AND LEMONGRASS. ON THE PALATE, CRISP ACIDITY AND SALTY TEXTURE. IF OPENING YOUNG, ALLOW SOME TIME FOR AIR AS THE 2020 EXPLODES IN AROMAS AFTER 30 MINUTES OF OPENING.
